I. What is Zoom?

Zoom is an online video conference system that allows users to virtually communicate with others and offers a way to stay connected when in-person meetings are not an option. It can be used on multiple platforms such as smart phones, laptops, or tablets. Users have the option to communicate with each other through video, audio, or both. Zoom can be used to come together for any occasion such as family get togethers, work or volunteer meetings, and for virtually attending activities in the community like exercise classes, book clubs, and church.

This guide is intended to be used by Zoom users to provide step by step instructions on how to sign up for a Zoom account, sign into a Zoom account, and join Zoom meetings from smart phones. For the sake of this guide, the smart phone section steps are specific to using Zoom on Apple products (i.e., iPhone and iPad); However, Zoom can be used on most smart phones with very similar steps.

Before you Start

Before beginning the process of signing up for and using Zoom, there are a few things you will need:

- Internet connection
- An email address
- An internet accessible smart phone

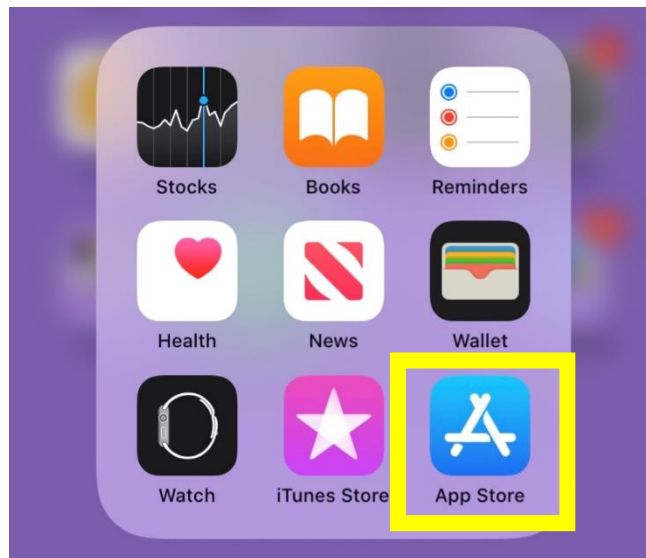

Once you have these things, you are ready to go!

II. Using Zoom on a Smart Phone

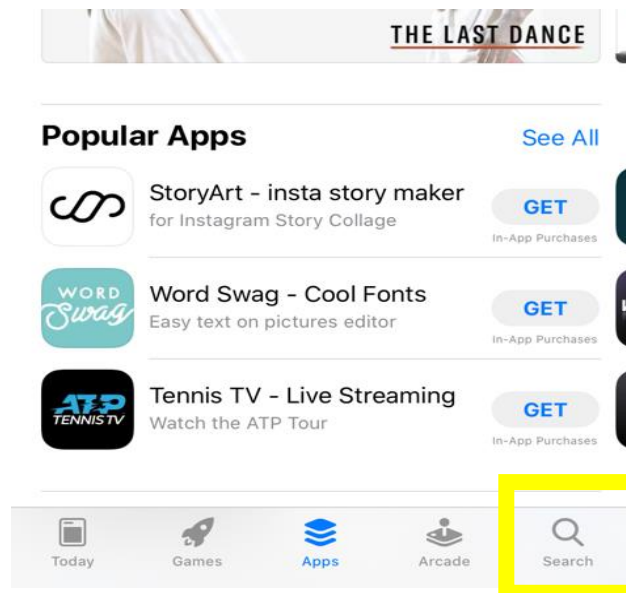

Downloading the Zoom App

*Pictures shown are for using Zoom on an iPhone and may look different if using another type of smart phone (i.e., Android, Google phone); However, the steps for downloading and using Zoom on any smart phone are similar.

- 1) Unlock your phone and find the 'App Store' icon on your smart phone. Tap it to open. **On Androids, this app is titled 'Play Store.'*

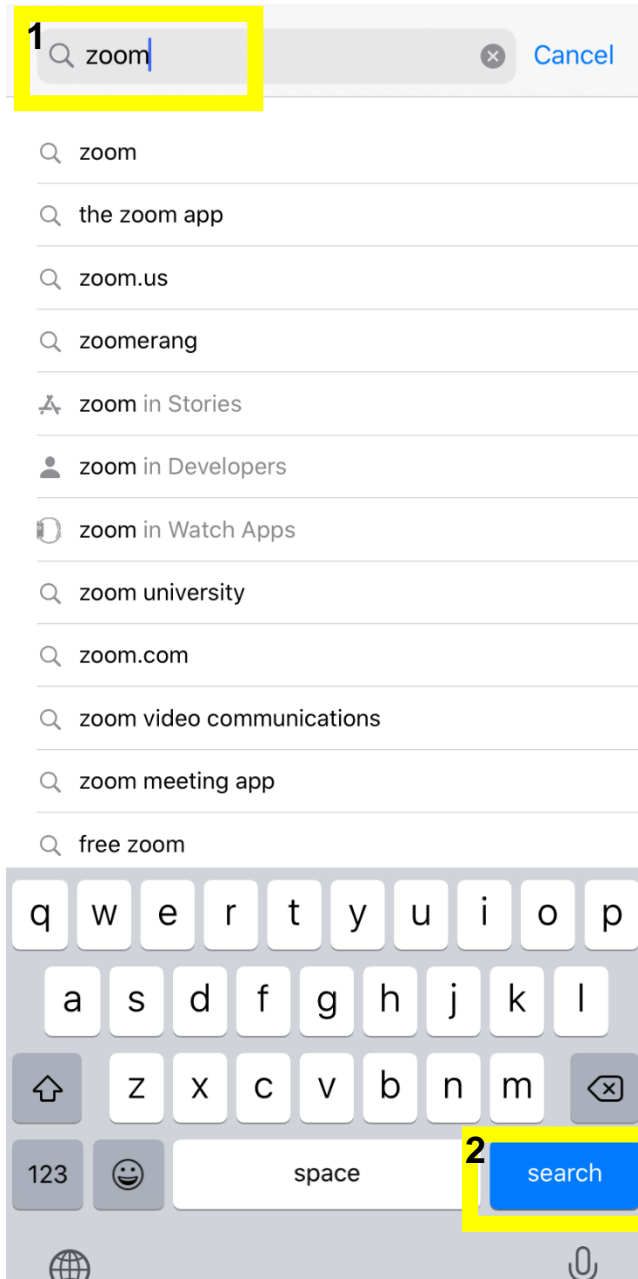

- 2) Once the App Store is open, tap 'Search' on the bottom right.

Staying Connected: A Guide to Using Zoom

- 3) On the search page, type “Zoom” into the search bar. Then tap ‘Search’ on the bottom right of the keyboard.

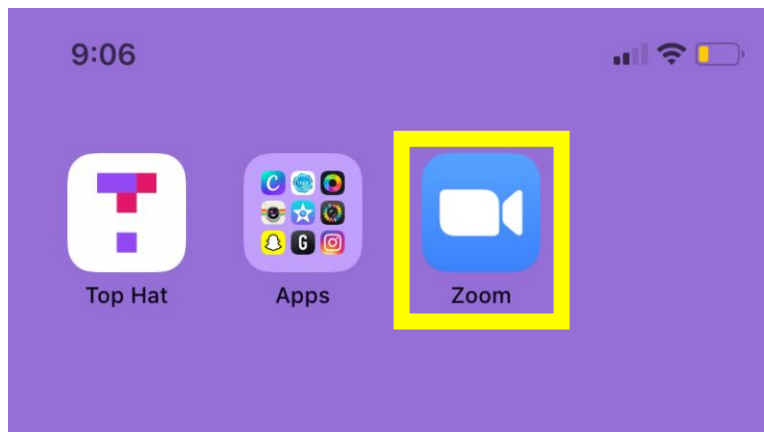

Staying Connected: A Guide to Using Zoom

4) The app 'ZOOM Cloud Meetings' should appear first. Tap 'GET' to download the app onto your smart phone.

*If you are not using an iPhone, the app may appear differently. Still, look for the app with the blue Zoom camera logo.

5) Once the Zoom app is downloaded, it will appear on a page on your home screen. Locate the Zoom app on your home screen and tap it to open the app.

Creating a Zoom Account

1) Once the app is open, the login page will appear. Tap 'Sign Up' to create a Zoom account.

If you already have a Zoom account, skip to page 13.

Last Name

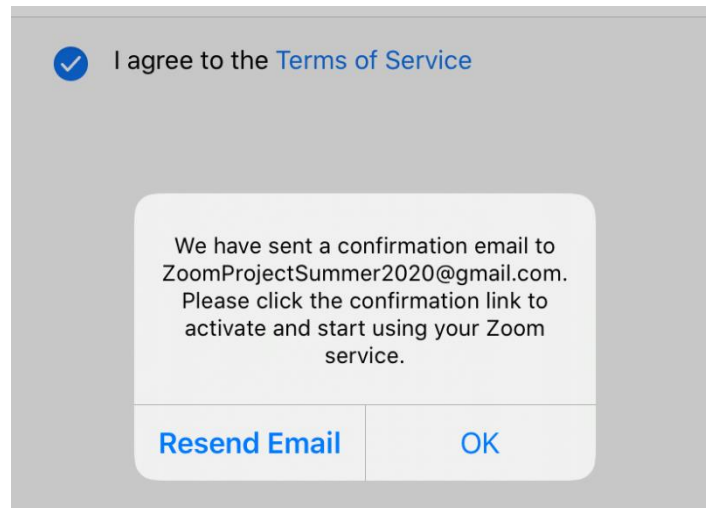

Staying Connected: A Guide to Using Zoom

- 4) Once your first and last name and email are entered, ensure that you have checked 'I Agree' to terms and services. Then, tap 'Sign Up' in the top right-hand corner.

A screenshot of the Zoom sign-up form. At the top, there are three buttons: 'Cancel', 'Sign Up', and 'Sign Up'. The 'Sign Up' button on the right is highlighted with a yellow box and labeled with a '2'. Below the buttons, there are three input fields: an email field containing 'ZoomProjectSummer2020@gmail.com', a name field containing 'Erin', and a phone number field containing 'K'. Below the phone number field, there is a checkbox labeled 'I agree to the Terms of Service' which is checked, highlighted with a yellow box and labeled with a '1'. A 'Terms of Service' link is visible next to the checkbox.

- 5) After tapping 'Sign Up,' a message should appear notifying you that a confirmation email was sent to your email.

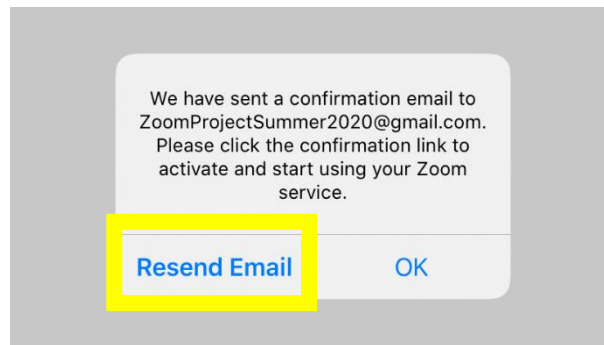

Staying Connected: A Guide to Using Zoom

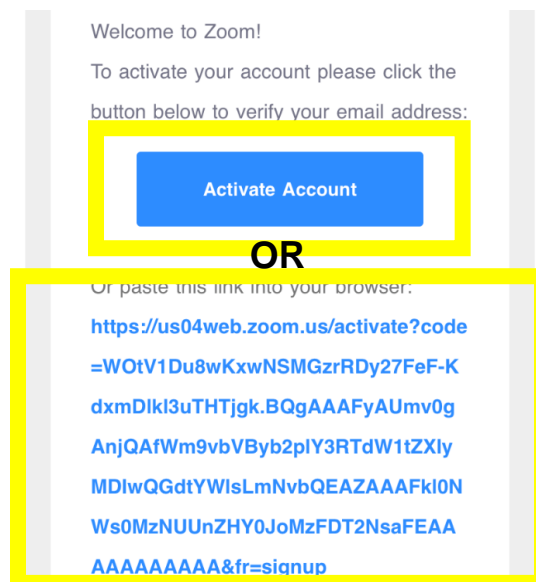

- 6) Go to your email and look for the activation email from Zoom. Allow a couple of minutes for the email to appear in your inbox. When you receive the email, tap it to open.

- *If after waiting you still have not received an activation email, return to the Zoom app and tap 'Resend Email.' Then, go to your email and look again for an activation email from Zoom.

- 7) Upon opening the email, tap 'Activate Account,' OR copy and paste the link provided into your search browser to finish activating your Zoom account.

Staying Connected: A Guide to Using Zoom

8) After tapping 'Activate Your Account' or copying the link into your browser, you will be taken to a page in your web browser. On this page, type your preferred password into the 'Password' box.

Zoom passwords must:

- Have at least 8 characters
- Have at least 1 letter (a, b, c...)
- Have at least 1 number (1, 2, 3...)
- Include both Upper case and Lower case characters

Then, type this same password into the 'Confirm Password' box. Write down and keep this password for safe keeping.

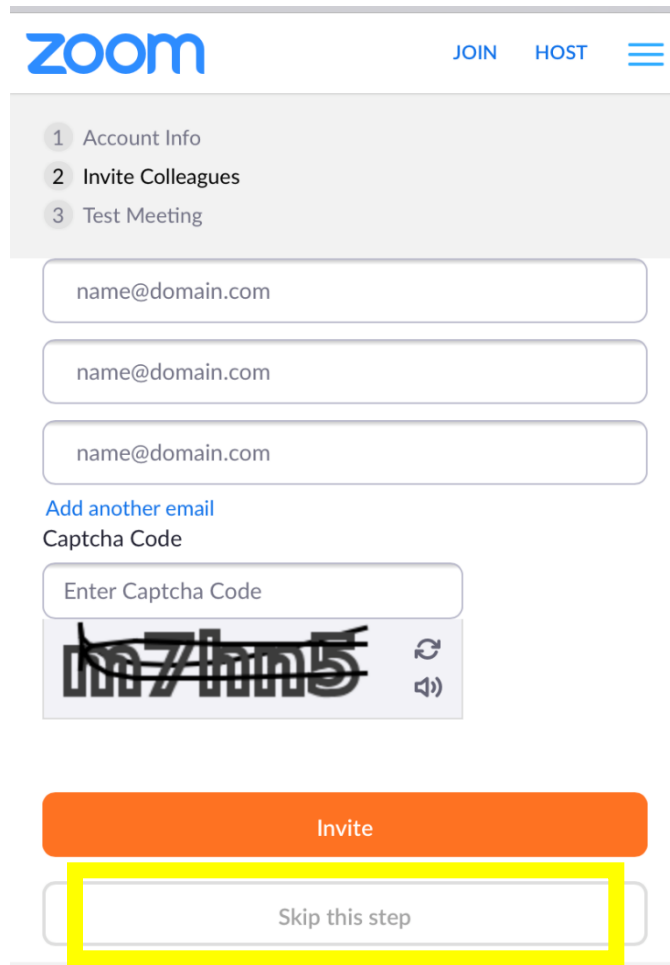

A screenshot of the Zoom account activation page. At the top, it says "3 Test Meeting". Below that are three input fields: the first contains "Erin", the second contains "K", and the third is labeled "1 Password". Below the password field is another field labeled "2 Confirm Password". A yellow box highlights both the "1 Password" and "2 Confirm Password" fields. Below these fields is a link: "By signing up, I agree to the [Privacy Policy](#) and [Terms of Service](#)." At the bottom is an orange "Continue" button.

9) Once you have typed your password into both boxes, tap 'Continue.'

A screenshot of the Zoom account activation page, similar to the previous one. The "1 Password" and "2 Confirm Password" fields now contain a series of dots, indicating that the password has been entered. A yellow box highlights the orange "Continue" button at the bottom of the page.

Staying Connected: A Guide to Using Zoom

10) You will then be taken to this page. Tap 'Skip this step.'

The screenshot shows the Zoom account activation interface. At the top, the Zoom logo is on the left, and 'JOIN' and 'HOST' buttons are on the right. Below the logo is a progress indicator with three steps: '1 Account Info', '2 Invite Colleagues', and '3 Test Meeting'. The '2 Invite Colleagues' step is currently active. There are three input fields for email addresses, each containing the placeholder text 'name@domain.com'. Below these fields is a link that says 'Add another email'. Underneath is a 'Captcha Code' section with an input field containing 'Enter Captcha Code' and a captcha image showing the numbers '0071nn5' with a red scribble over them. To the right of the captcha are refresh and volume icons. At the bottom, there are two buttons: an orange 'Invite' button and a white 'Skip this step' button. The 'Skip this step' button is highlighted with a yellow rectangular border.

11) Congratulations, you have now activated your Zoom account! Return to the Zoom app to sign into your account.

Signing into your Zoom Account

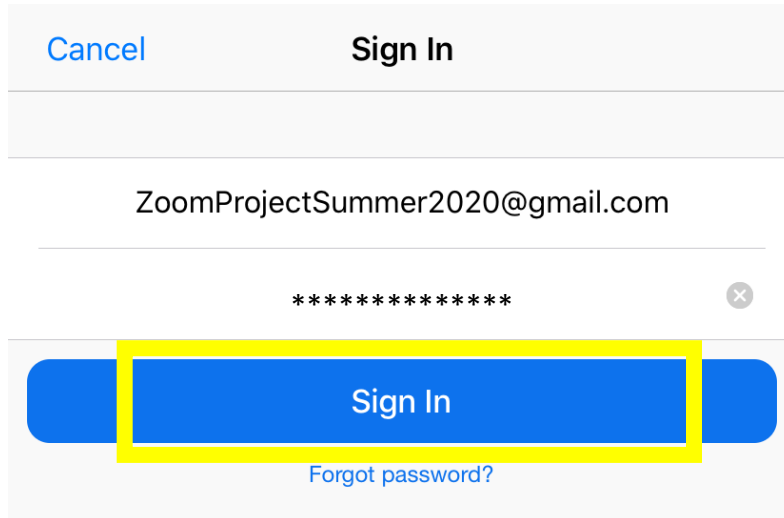

- 1) To sign into your Zoom account, open the Zoom app and from the login page tap 'Sign In.'

- 2) On the next page, type your email address and password into the corresponding boxes.

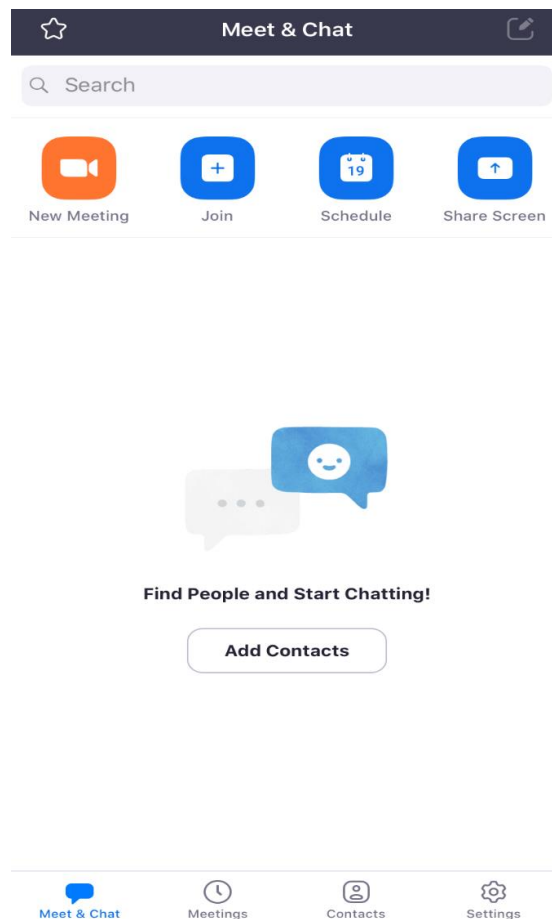

Staying Connected: A Guide to Using Zoom

- 3) Once you have entered your email address and password, tap 'Sign In.'

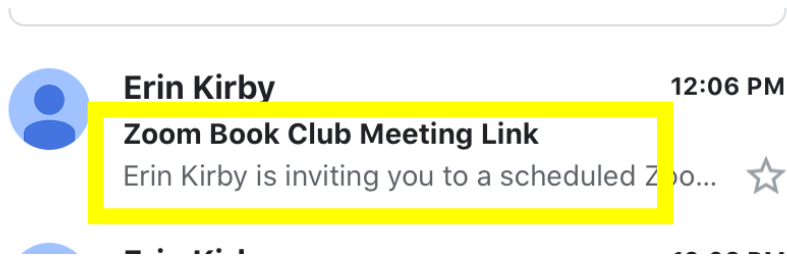

The image shows the Zoom sign-in interface. At the top, there are two buttons: "Cancel" on the left and "Sign In" on the right. Below these is a text input field containing the email address "ZoomProjectSummer2020@gmail.com". Underneath the email field is a password field with ten asterisks "*****" and a close button (an 'x' in a circle) on the right. A large blue button with the text "Sign In" is highlighted with a yellow rectangular border. Below the "Sign In" button is a link that says "Forgot password?".

- 4) Once complete, you will now be signed into your account on the Zoom app and see a page like this.

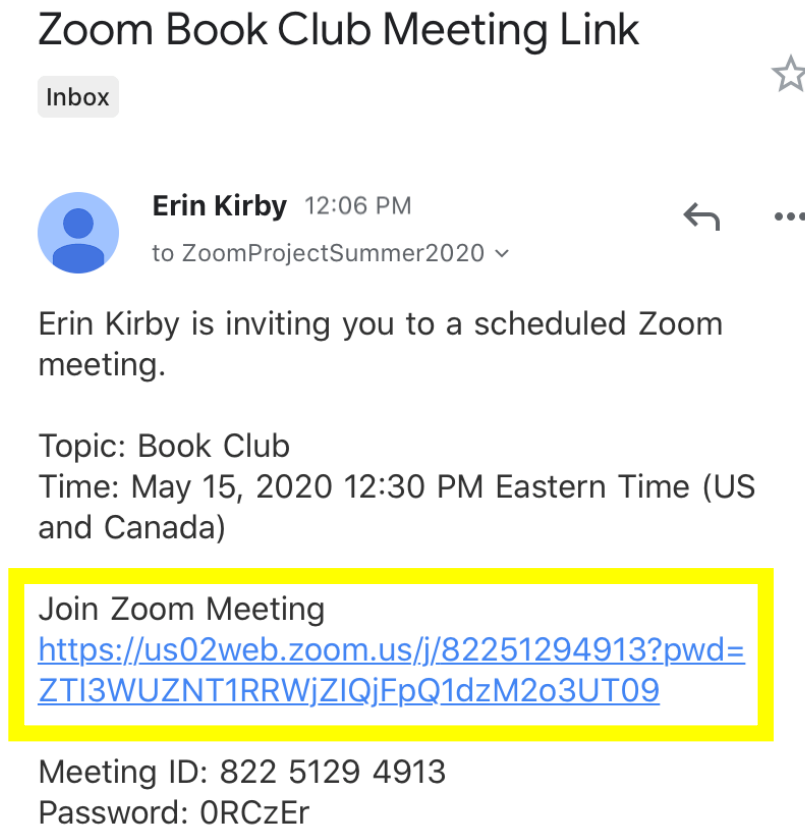

Joining a Zoom Meeting

- 1) Open your email on your smart phone and look for the email from the sender of the Zoom meeting you wish to join. Tap on the email to open it.

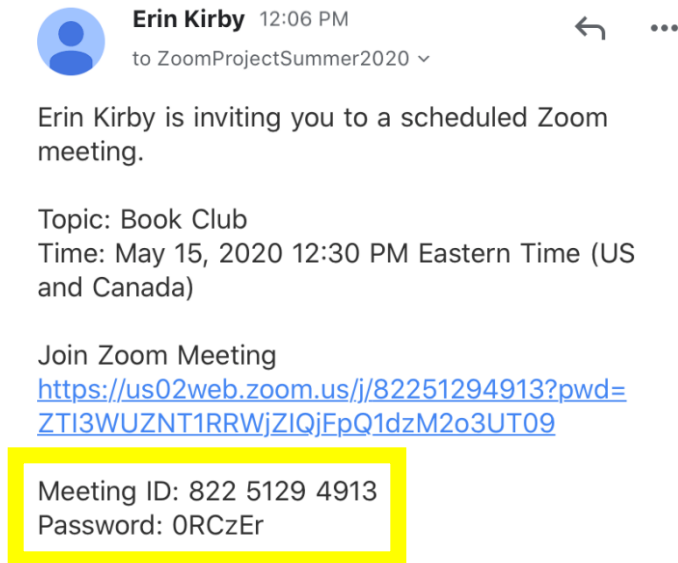

- 2) Once open, look for the blue link in the email. This is the link to join the Zoom meeting. Tap on the link.

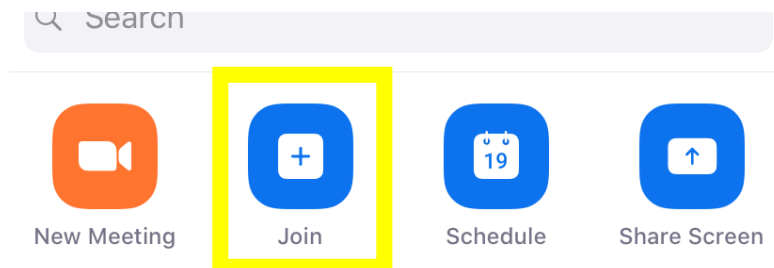

Staying Connected: A Guide to Using Zoom

***Sometimes, as is what happens with most technology, the Zoom link will not work and will not take you to the meeting. *If the Zoom link does not work*, use the following steps as an alternative way to join a meeting.

- a. Within the email, locate the 'Meeting ID' and 'Password.' Write these down.

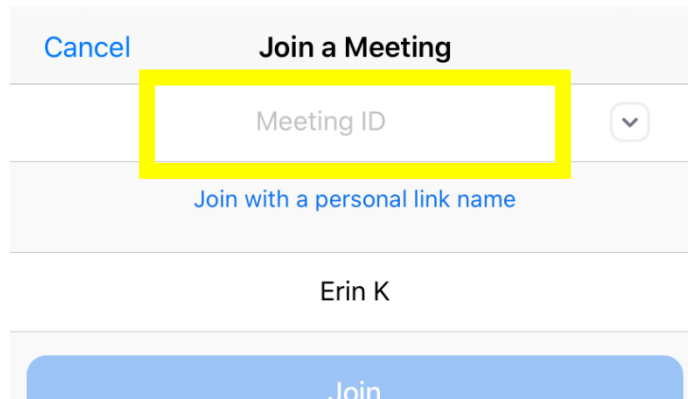

- b. Open the Zoom app. From the home page, tap 'Join' located at the top of the screen.

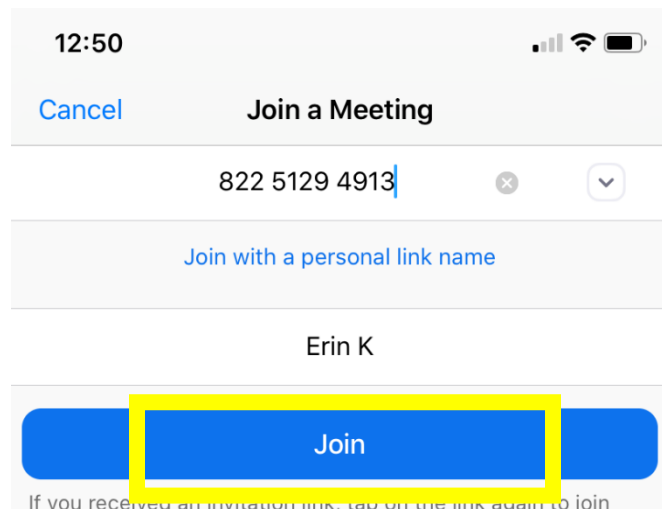

Staying Connected: A Guide to Using Zoom

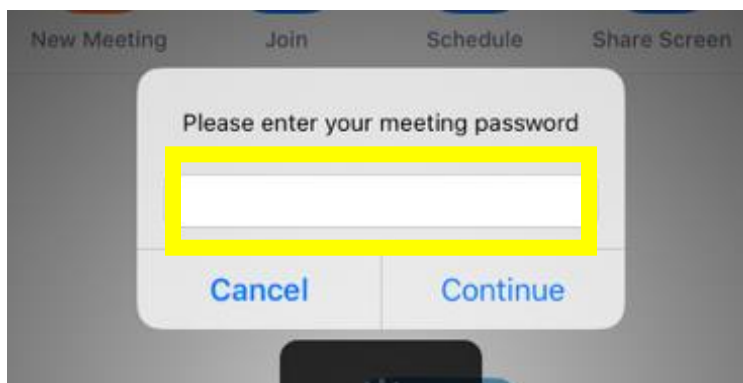

- c. On the next screen, type the Meeting ID retrieved from the email into the corresponding box.

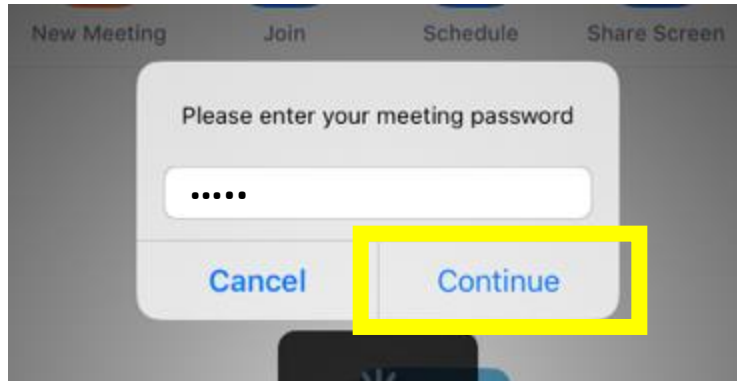

- d. Once you have typed in the Meeting ID, tap 'Join.'

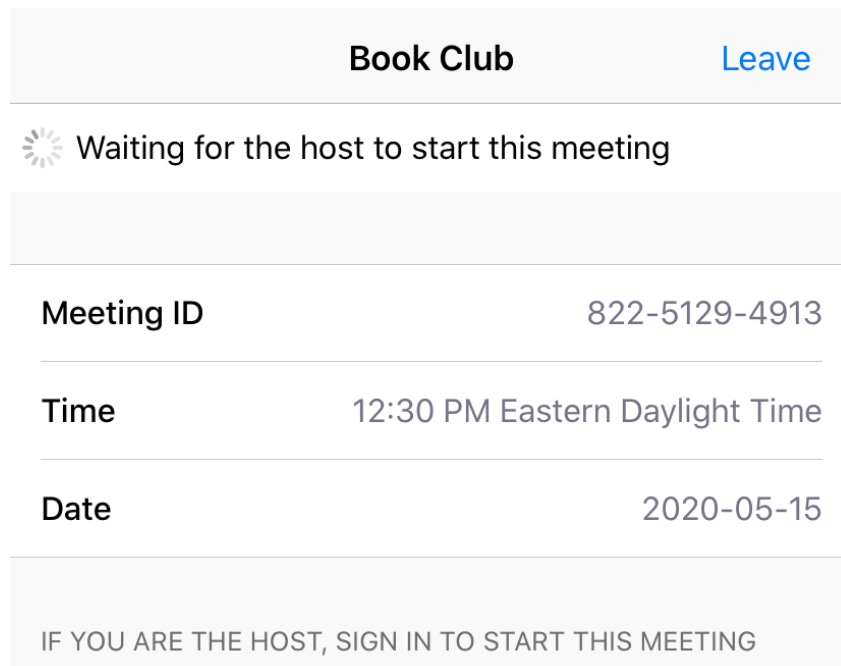

- e. The next screen will ask you for the password. Type the password retrieved from the email into the corresponding box.

f. After typing in the password, tap 'Continue.'

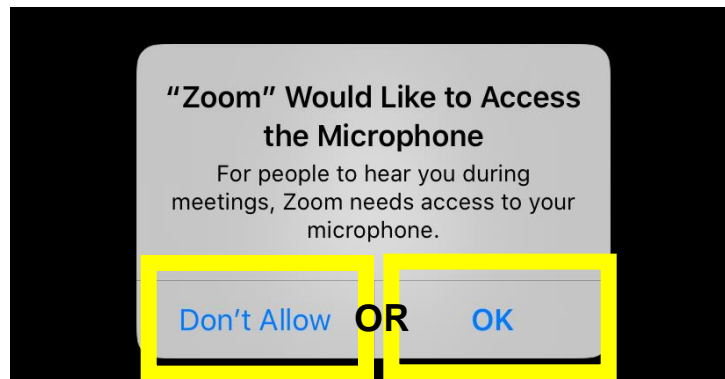

3) Tapping the link from the email OR entering the Meeting ID and Password will then take you to the meeting. If the 'Host,' or person who sent the invitation, is not on Zoom yet, this screen will appear and notify you that you are waiting for the host to start the meeting.

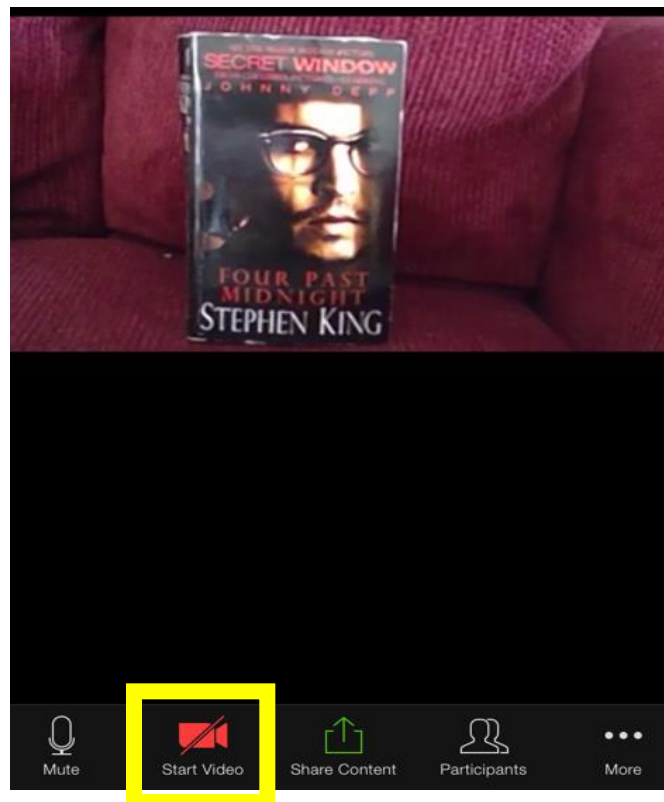

[Sign In](#)

Staying Connected: A Guide to Using Zoom

- 4) If the host has already started the meeting, or once the host starts the meeting, a screen will appear asking for access to your microphone. If you want to speak and for others to hear you during the meeting, tap 'OK.' If you do not want to speak and do not want others to hear you, tap 'Don't Allow.'

- 5) Once in the meeting, you can also control whether you want your video on (i.e., so others can see you) or off (i.e., so you cannot be seen). To turn your video on, tap 'Start Video.'

Staying Connected: A Guide to Using Zoom

- 6) If you choose to turn your video on, others will now be able to see you and you can see yourself as well.

- 7) You are now in your meeting! On the next page are some important controls to use for when in your meeting.

Zoom Controls

- To mute yourself so others cannot hear you, tap 'Mute.'

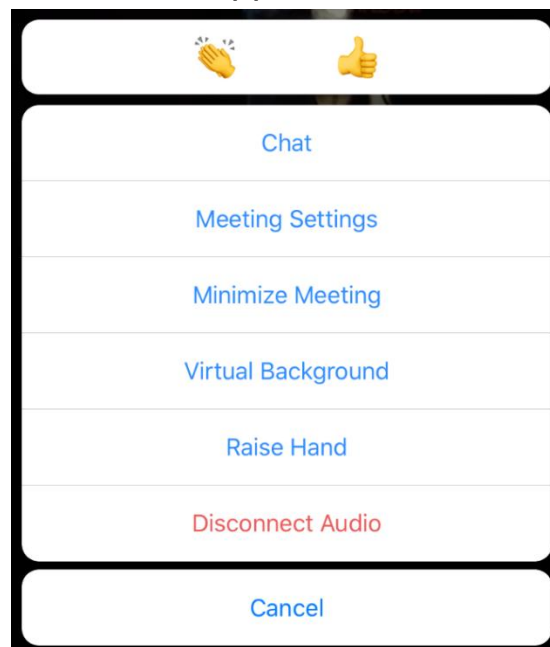

- To hide your video so others cannot see you, tap 'Stop Video.'

- To discover more controls, tap 'More.'

Once 'More' is tapped, this screen will appear.

Staying Connected: A Guide to Using Zoom

- You can send a reaction in the meeting by tapping an emoji.

- To type messages in the meeting, tap 'Chat.'

The following screen will appear. Here, you can tap on the bottom chat bar to type and send messages in chat.

Staying Connected: A Guide to Using Zoom

- Once the meeting is over or when you would like to leave the meeting, tap 'Leave' at the top right-hand corner of the screen.
