

*"Giving you peace of mind  
by working through the  
red tape"- Beth Jorgensen*

Are you a veteran, or the spouse of a veteran who served active duty, anywhere in the world during World War II; the Korean Conflict; the Vietnam War Era or the Persian Gulf War? If so, the VA Pension Benefits could provide a significant source of financial assistance for the care needs of veterans and their spouses.

VA Pension benefits are to assist veterans, and the surviving spouse of a veteran, who have been faced with high, out of pocket costs, associated with their medical care. These can include assistance provided at home, independent living communities, or at a skilled nursing home. A 3-step process can determine if you may qualify.

Bremo Pharmacy would like to introduce Beth Jorgensen with Casterline Law Offices, PLLC. Beth is a VA Planning Assistant, who works with John Casterline, and has assisted families in understanding VA Pension Benefits since 2013. Beth will answer your questions, set up an appointment to provide an overview of basic qualifications, as well as educate you and your family on the process involved in applying. Along with this, you will have John Casterline, a VA Accredited Attorney, who will provide a free pre-qualification analysis to review your personal circumstances.
